

Membership Form Volunteer Committees of Art Museums

VCAM's purpose is to offer opportunities through meetings, telephone calls and all forms of social media for volunteers and staff of art museums to ask questions, problem solve, share innovative practices and improve their service to their museums.

VCAM's biannual Newsletter can be shared among your museum's volunteers and staff to inspire them and introduce some of the programs and activities of VCAM's member Museums.

The highlight of VCAM membership is a friendly and informative Conference. There will be news of that on the web, and I will keep the Conferences Tab up to date as well.
